Your session includes a flash drive with your digital images and a copyright release.
If you'd prefer us to order prints for you, we are happy to help.

Sessions

Portraits

The Digital Investment

Retouched photos are included in the pricing. We give you the high quality digital images so you can use them on the Internet and social media, and so you can print them when and how you want. We believe giving digital images to our clients is more cost effective and advantageous in the long run.
